A Message from the Manager...

I'd like to start with a warm welcome to our new Office Manager, Jan Angell, who joined the Triangle in July. She has quickly settled into her role, taking over the administration of the bookings and invoicing and general day-to-day management of the office team. We are delighted to have her on board as we start the busy Autumn Term.

Secondly, a BIG Thank You to everyone who supported the Triangle in our first team entry for the LiDBA Sponsored Bike Ride in June. We had a fantastic team of 12 riders who all completed the 25 mile course and, with the support of their many sponsors, have raised a staggering £1,618.91. This money is being used to help fund the improvements to the back courtyard area which is regularly used by our pre-school and after school clubs.

This Autumn Term also promises to be an exciting one with a number of new projects and events planned...we are now running the Triangle Film Nights independently using our own projection equipment and screen. Our first feature is the fabulous "Young Victoria" on Saturday 12th September and tickets are available now from the office.

To find out more about what's going on every week in the Triangle come and collect a copy of our Autumn Programme. This lists all the regular classes, meetings and activities, plus useful contact numbers.

Grandma's thrift presses the right buttons today!

Did you know that there is a **BUTTON BOX** at the Triangle? It lives in the cupboard in the wall in the coffee bar and contains a large number of buttons of all sizes sorted by colour and collected into sets. There are also a few zips, buckles and other fastenings. If you find something useful, donations of a few pence paid in at the office will be much appreciated and everyone benefits from this simple exercise in recycling. If you have any unwanted buttons to add to the box please leave them in a plastic bag tied securely so they don't end up loose in the box.

A Letter from the new Chairman

Hello! I am introducing myself as the new Chairman of the Triangle Trustees. Many of you will know me already, as I am often around the building, leading the Walking To Health walks, serving coffee or generally helping out at events.

For many years I have lived and worked in Liss and my 4 children went to school here. There has always been a great community spirit in this village and I am looking forward to a challenging year ahead doing my bit to help and enhance the facilities and activities in this fabulous centre.

There is a vast range of ways in which you too can become involved. If you can offer some time and talent or become a friend, you will find a team here who will welcome you with open arms.

Charmian Porton

Charmian receives a cheque for £3,000 for the Triangle from Ron Chisholm, Treasurer of the Triangle Coffee Bar at the AGM earlier this year.

OPEN DOOR

Open Door is a Parent/Carer and Toddler group which has been running on Friday mornings during term time at the Triangle Centre for nearly 12 years. The group is run by a team of Mum's from the local and surrounding area and is open to all families with children of a pre-school age. We aim to provide friendship and support to parents and carers, as well as a stimulating and safe play environment for babies and young children. The group is run and managed each week by a team of three women and we have two volunteers who come in bi-weekly to run a storytelling and music session during the morning.

To encourage accessibility, only a small charge of £1.00 per family per session is made to cover the cost of refreshments for parents, biscuits and fruit for the children, as well as paint, glue and other craft materials. We are a non-profit organisation; we are financially supported by individual donors, local authority grants and monthly gifts from a local church. Anyone is welcome to drop in – come and play and enjoy a coffee or tea and a chat with others!
New term begins : Friday 4th September 2009
