FANCY A BOOGIE!

WHAT A BUSY SUMMER WE'VE HAD AT THE TRIANGLE

Our Open Gardens event in June was a huge success with nearly 300 people coming to visit the beautiful gardens around the village and partake of our delicious lunches and home-made cakes! I would once again like to extend enormous thanks to all those that opened their gardens and also to the wonderful team of volunteers who worked so hard to make the day run smoothly. We will be holding another Open Gardens event in 2019 so if you are interested in taking part please do contact us and we will add you to our list.

We were also very pleased to see so many people attending our AGM on 20th June. At the meeting we outlined the plans that are currently in place for Liss Community Association to purchase the Triangle building from Hampshire County Council. This is a time in our history when we need to gather as much support as possible from the community so I wanted to remind you again about our Friends scheme. A donation (of any amount) each month or annually would go a long way to help us to continue to provide the wonderful and much needed activities that we currently provide to the community.

As I sit at my desk this morning I have the melodic tones of a pneumatic drill ringing in my ears as the builders take out the wall between the coffee bar and the downstairs meeting room. We are very excited about our coffee bar refurbishment project and I hope by the time you read this, we will be back up and running in our new and improved coffee bar and ready to serve you fresh coffee and home-made cake! Our coffee bar is very much the hub of our centre and we always love to welcome new and of course our regular customers who come in to meet their friends and enjoy a chat and to see a friendly face!

We have a packed schedule for Autumn and Winter and we hope that we have provided something for everyone from our Old Skool Disco to Taking Tea with Jane Austen. We are always looking for new ideas for events so if there is something you think we should be doing then please do come and have a chat! Details of our forthcoming events are contained in this newsletter together with a list of the regular classes that are held here.

With very best wishes, Karen
