

News from the Office!

Happy New Year from everyone here at The Triangle! It's only the second week of February and we are already busy planning lots of events for 2018 the first being our 6th Film Festival which takes place from Thursday 15th – Sunday 18th February. Further details in the newsletter on the films we are showing along with timings.

We are always looking at ways to improve the Triangle and this year we are working on raising funds to install additional electrical sockets in the classrooms, improve the lighting in the building and also to redecorate the hall and upstairs. We would like to thank all those that helped us to make our events so successful during 2017. We received enormous support from the local shops and businesses with sponsorship and raffle prize donations for our Open Gardens, Beer Festival and Christmas Fair. Without your help we could not raise the funds we need to keep the Triangle the thriving community hub that it has become.

We were all very sorry to receive the news that Ray Caudrey, who has been a trustee here at The Triangle for many years, sadly passed away at the end of December. Ray was a very popular member of the community, having resided in Liss for many years and his passing has left us feeling shocked and saddened. We will all miss his kindness, wisdom and wicked sense of humour.

With best wishes
Karen Feeney

We were very happy to welcome The Rt Hon Damian Hinds MP to the Triangle Centre in November when he officially opened our Coffee Bar extension. The event was also attended by county, district and parish councillors, trustees, friends and volunteers all of whom were very impressed with the modifications that have been made.

Party Time!

We are pleased to offer a special KIDS party hire rate. For just £51.00 you can have full use of the Hall, Annexe and the Kitchen. Our rooms are designed for children, so having space to run around and make a bit of a mess is not a problem! We have plenty of 'child-sized' chairs and tables which are included in the price. Call the office for more information.

For the 6th year running, we have an excellent choice of films for you. New for 2018 is Cinegi, an innovative streaming system that will enable The Triangle to screen a filmed stage performance of the highly acclaimed award-winning play starring Helen Mirren from 2013 "The Audience".

We are of course continuing your favourite events. There will be canapés and fizz before Hairspray—embrace flower-power by coming in 60's dress! Treat yourself to a delicious afternoon tea after Tea with Mussolini. Children and adults alike will love the big-screen experience of Despicable Me3 on Saturday morning, with coffee and home-made cake available from the coffee bar. The bar will be open on Saturday evening for Logan Lucky. Our Sunday matinée of Victoria and Abdul will be open to all, but for the "film & food" closing gala, tickets must be pre-booked.

We look forward to seeing you during the festival. As well as
