THE SPIRIT OF MUSIC FESTIVAL

Various venues in Liss & Petersfield on
2nd, 3rd, 9th & 10th May 2015

After last year's successful debut, the Spirit of Music Festival returns to the Liss/Petersfield area of the beautiful South Downs. It offers high-quality, family-friendly musical events, from classical to light, old to new, workshops to concerts and children to adults. It is led by the SouthDowns Camerata, a string orchestra created from the best of local musicians, successful performers in their own right, and experienced teachers and workshop leaders. We are also delighted to welcome award-winning composer/lyricist Gwyneth Herbert and local literary historian Julia Mayo. This year's festival draws an interesting connection to literature and other arts and encourages local children and adults to discover their own talents and get playing, singing, or drawing themselves.

LISS FILM FESTIVAL

Enthusiasm for good films was once again in evidence at Liss Film Festival 2015.

The festival attracted good audience numbers, with the opening and closing Galas both sold out. Guest of honour John Bridcut opened the festival with a speech on the changes to cinema-going numbers, and how festivals like this have helped to regenerate interest in watching films in company with other people.

We were delighted to have sponsorship from Redmayne-Bentley of Petersfield, and their enthusiastic involvement was highly appreciated. We would like to thank them and all the local businesses who gave their support.

People were not deterred by the wintry weather, and enjoyed walking the red carpet even though it was inside, and posing for the photographers. The party atmosphere was infectious, and several films received a round of applause at the end.

The aim of offering an enjoyable event for the local community and raising funds was achieved through the hard work and energy of Sally, the team of volunteers, and Triangle After School Club who created the beautiful decorations in the hall. Huge thanks to all for making this year's festival such a success.

See you all at Festival 2016!

In November the Liss Horticultural Society gave us some miniature iris bulbs. They challenged the children to decorate a pot and plant the bulbs. Over the past few months these have been growing in the coffee bar courtyard. LHS came back and judged them in the second week of March.

CROSSOVER YOUTH CENTRE IN LISS, NEEDS YOU!

Have you seen those pieces that say, "Do you remember when..." and then go on to say things like you would leave home in the morning and play all day, as long as you were back when the streetlights came on.

No one was able to reach you all day and you were OK. You would spend hours building your go-karts out of scraps and then ride down the hill, only to find out you forgot the brakes. After running into the bushes a few times, you learned to solve the problem. You did not have PlayStations, Nintendos, X-Boxes, 99 channels on TV, no DVDs, no mobile phones, no text messaging, no laptops, no Internet, no Facebook, ...YOU HAD FRIENDS and you went outside and found them! You fell out of trees, got cuts and grazes and there were no lawsuits from these accidents. 'Those were the days,' I hear you say!

However, times have changed for better or worse, and our young people have different stresses, strains, challenges and limitations on them. Crossover is a drop-in centre for young people in Liss, which seeks to help, encourage, motivate and befriend young people, who may not experience the same freedoms of childhood that we might have had.

So, can you help? Crossover needs volunteers. You do not have to be an expert on young people, but in some ways we all are, because we were all once young.

Can you serve in the café and make snacks? Are you arty, and could you offer yourself and some craft making ideas? Are you a champion pool, table tennis or computer game player? Do you want to see if a young person can beat you at the game? Are you friendly and easy to talk to or a good listener? Could you offer a couple of hours to help keep the centre clean and tidy or help with fundraising? If so, Crossover needs you!

And what will you get from it? Well, you will work with a great team of people and make new friends. Believe it or not, you will probably learn a lot about yourself and be pleasantly surprised by how wonderful young people are. It will be a rewarding experience where you can give back to your local community and in particular to the next generation of young adults. What more could you ask for?

For more information, get in touch with Crossover's Manager, Georgina Leigh, by calling **01730 892981**, emailing **Georgie@CrossoverLiss.org.uk**, or pop into the centre. You can also download a volunteer application form from our website, **www.CrossoverLiss.org.uk**
