A MESSAGE FROM KAREN

I would like to say a huge thank you to everybody for the very warm welcome I received when I arrived at The Triangle back at the beginning of February. Stepping into Sally's shoes was scary enough but arriving at The Triangle just a few short weeks before the Film Festival meant I had to get to grips with everything very quickly!

I am thoroughly enjoying the role and I am looking forward to being part of this wonderful team for many years to come. We have lots of events coming up including the Liss Open Gardens on the 25th June and more details of this event are included in the newsletter. We hope you get the chance to visit some of the stunning gardens that will be on display. We are also delighted to announce our exciting plans to extend our Coffee Bar which will mean more space for those wishing to use this facility and also enable us to offer more activities to regular and new users of the centre.

If you are not sure what happens here at The Triangle we have included a weekly diary of the classes and groups that meet here so you can see what happens and when.

I am amazed at the amount of classes and activities that take place at The Triangle when I first arrived and we are now hoping to build on these foundations and offer even more educational and recreational opportunities to the residents of Liss. We would love to welcome you to The Triangle so why not pop in and join us for coffee and see what goes on here!

We are also keen to welcome new volunteers to The Triangle so if you have some spare time and feel you could help please do give us a call and we can tell you all about how you can join our wonderful team of volunteers.

With very best wishes!

Karen Feeney

We are looking forward to a wonderful day full of vibrant colours, scented flowers, manicured lawns and herbaceous borders! Local gardening celebrity and regular contributor to Radio 4's Gardeners World, Peter Catt, will officially open our event at 11am!

WANTED: HELPERS FOR SANTA

6th December 2017

We are planning a bigger and better Christmas Market here in Liss in 2017! It is hoped that we will have more stalls and entertainment for all the family including Liss Band and Carol singing by the tree on the memorial green. We are still keen to find somebody who can help coordinate the local community stalls and would welcome a call from anyone who felt they could take on this task to ensure we have a successful event.

Contact Karen at The Triangle if you feel you could help on 01730 301000

LISS COMMUNITY ASSOCIATION ANNUAL GENERAL MEETING

The Annual General Meeting of the Association will be held on Tuesday 20th June at 7.30pm.

The Agenda and other papers will be available on the night or from The Triangle office 21 days in advance of the meeting. Please do come along and find out what we have been doing for the community and our plans for the future.

The Triangle is the hub of village life in Liss and provides a friendly meeting place for over 50 groups and societies ranging from French lessons to Tai Chi. It provides a first class child care facility with our popular and well attended after school club, it also provides a host of entertainment opportunities with events such as our annual film festival, our monthly cinema and one off shows and events. It offers residents the chance to meet and enjoy a daily cuppa and slice of cake in our delightful coffee bar. If you haven't visited The Triangle, why not pop in and see what we do here and how you could get involved with your community centre.

You can help to protect and support us by becoming a Friend of the Triangle. We ask for a minimum donation of £5 per year and in exchange we offer priority booking for events, a regular newsletter, email updates, invitation to private views and you are entitled to vote at the AGM.
